## INDIA 2017

*Join Mark & Mimi Comfort*

February 24 - March 8, 2017  
*Aboard the Ganges Voyager II*

To travel through India is to encounter a country more complex and beguiling than perhaps any other—profoundly mysterious, gloriously exotic, seemingly infinite, and absolutely unforgettable.

Your adventure begins in Delhi, India's state-capital and third-largest city, a compelling blend of different historical eras and religious influences. Marvel at the exquisite Taj Mahal in Agra—justifiably considered one of the New Seven Wonders of the World—and hear the tragic love story that inspired its 17-year-long construction. Wander amongst the imposing fortresses and dusky-hued palaces of Rajasthan's gateway city, the regal Pink City of Jaipur. Explore the atmospheric, centuries-old bazaars that make Jaipur such a magical place. With labyrinthine lanes lined with a plethora of tempting treasures, you'll find them a delightful and dizzying spectacle for all five senses.

Embark upon your eight-day cruise along the Ganges River, where many other stupendous sights and experiences still await—Mother Teresa's home and tomb in Kolkata, an enormous Vedic temple built by Hare Krishnas, splendid garden-tombs and mosques, and grand Victorian buildings and monuments, the lingering vestiges of India's rich colonial legacy.
